STAT

Dear [Redacted]

Attached are copies of a list and schedule proposing disposal of approximately 19,100 cubic feet of Denazification Records in the custody of the Federal Records Center, Kansas City, Missouri.

The Department of the Army has concurred in disposal of the records as proposed. In view of the possible interest of your agency in the records, I will appreciate your comment or concurrence in the proposed disposal actions.

Sincerely yours

Everett O. Alldredge

of ER/OCR has gone along with this proposed disposal with the understanding that ER will be able to screen out material they want by January 1, 1963.

Does your area have any interest in these records?

asked

for some action or I would assume no interest. H.E. says there is an interest and he will call for samples of certain records - on basis of samples he will determine if a trip to KC Center is advisable. He will ask BR to get the samples.
